Detox, 60/90 minutes - An energizing massage focusing on the upper legs, glutes, lower back, hips and abdomen. It uses dry brushing and silicon cups to stimulate circulation, improve skin tone and elasticity, and it helps reduce the appearance of cellulite by breaking down adipose tissue and reducing fluid retention.

Holistic, 60/90 minutes - A fully personalized treatment based on each guest's needs and desired results. It uses a combination of flowing, soothing, rhythmical and medium pressure movements on the specified areas of concern to relieve muscle tension and to bring about a balanced, calm and stress-free state of being.

Deep Tissue, 60/90 minutes - This massage releases stress, eases muscle tension, boosts circulation and improves mobility, as well as muscle and skin tone. It targets the areas of concern specified by a guest and works therapeutically into deeper muscle layers, addressing trigger points with gentle pressure and release techniques. Silicone cups, hot stones or warm compresses might be used in the treatment, depending on the individual's need.

Tension Soother, 60/90 minutes - A reviving back, neck and shoulders massage using therapeutic trigger techniques to relieve muscle tension and restore mobility and alignment of the back and spine.

Relaxed Feet, 30/60 minutes - Restore the body's balance and release aches and pressure in the feet with this signature treatment using a fusion of massage techniques on the meridian lines of the legs and zones of the feet.

Head Massage, 30/60minutes - A deeply relaxing oil-based massage of head, neck and shoulders using cranio sacral techniques to ease tension in the muscles and fascia of the head and upper body, and induce a deep sense of calm.
